ABOUT US...

Caploonba is an Orpak Inc. Brand

Orpak Inc. established in 1983 by producing innovative furniture and has grown rapidly in the furniture sector.

From personal to industrial, Orpak Inc. produces furniture in many fields and puts its products in the domestic market and exports more than 20 countries abroad.

In 2002, Orpak Inc. started its R&D and design process to create an expert brand on baby, child and teen furnitures and created the brand of Caploonba. Caploonba is one of the first **“expert brand”** that focused on baby, child and teen furniture.

Today, caploonba continues its production by advanced furniture production line in 25000 m² closed space on a 40.000 m² land in Izmir/Turkey

Health is important here...

While investing into advanced technology for the production line, Caploonba takes baby and child safety seriously and gets the quality, safety and health standard certificates as **“TSE E0, E1, UNE EN 71-3, ISO 50001, ISO 9001, ISO 14001, TSE master”** in all of the products.

Caploonba continues its production with a goal of designing living spaces for instead of furnitures, Caploonba is changing the furniture trends for 0 - 24 age in its domestic market in compliance with the global standards and improving its products by taking the customer reactions as its feedback.

Your baby's
"New Room" is
sooooo **Colorful.**

BABY ROOMS

Caploonba has many functional offers for you and your baby. It doesn't matter if your room is big or small; With different module options, you can design your room according to the needs of your new family member.
