

Flora New

# Decorate her dreams.

We made a romantic touch to the girls' rooms, we designed a series that you can use in a classic or modern style as you wish. With its design, ergonomic structure and functional use, Flora New Series will decorate both the rooms and dreams of girls.

## Introduce style to her room.

Meet the rich accessory options of our Flora New Series and start decorating your daughter's room. Choose a style and bring the style to her room you want with accessories that fit that style.

# Colorful dreams.

We were inspired by flowers and handcrafted floral motifs on Flora New Bedstead. We wanted flowers to add color to your child's room as well as it colors the nature. Even to her dreams...

## She will enjoy studying.

Imagine a workspace where you can store many tools and equipment. With its drawer, covered section and shelves, Flora New Study Desk prevents your child from getting distracted while studying. It even maintains silence with its doors and drawers equipped with self-braking hinges.

## Make room for her stuff.

It is both a cot and a large storage area where you can store your belongings. Flora New Base Bedstead was designed to solve to the space problem in your room. Perhaps you have now found the bed frame you have been looking for, with its handle made of beech wood and its mechanism that opens and closes safely.

## Try different combinations.

Our Flora New Series has rich color and accessory options so that you can try different combinations in your daughter's room. You dream it, and let options of Flora New accompany your imagination.

# So Friendly.

Flora New Bedstead is as welcoming as it is elegant. You can easily host your child's friends with the Flora New Bottom Bedstead that you can add under it. Maybe you want to make a change too and sleep next to your daughter that night.

# Share the grace.

Sometimes sisters may need to share the same room. No problem at all with the Flora New Wide Bunk Bed. With a big bed solution for the elder sibling and a small bed solution for the younger sibling, this bunk bed provides you with the solution you are looking for immediately.

# Fascinating inner beauty.

The floral motifs and porcelain handles used on the Flora New 3-Door Wardrobe complete its elegance. It also proves how efficient it can be in terms of storage, thanks to its many shelves in addition to its wide and narrow hangers.

# She should enjoy her privacy.

If you are one of those who says “she should have a place to store her personal belongings and clothes”, then it's time to meet Flora New Dresser. Top drawer with 8 compartments stores small items. The bottom drawers are also designed as compartments and offer you convenience in storage.

# Enlarge the room.

If your room is small but you need more space to store your belongings, the Flora New High Dresser is for you. With its narrow-long structure and elegant design, this dresser will offer the solution your room needs with all its generosity.

## MATERIAL SPECIFICATIONS

1. It is produced from melamine-coated particle board in 25mm, 16mm and 8mm thicknesses with E1 standards.
2. The straight and curved edges of the board are covered with 0.40 and 2mm thick PVC foil, which is glued with polyurethane-based glue.
3. 2mm rounded edge band is used in the areas where the user will come into contact with the product in order not to be harmed.
4. Titus brand self-integrating track hinges with brake are used on the doors.
5. Blum brand tandem rails with a carrying capacity of 15 kg are used in the drawers.
6. The surface of the metals is coated with electrostatic paint and the metals are guaranteed against corrosion for 5 years.
7. The plastic parts used in the series are made of injected ABS raw material and do not pose a threat to human health.
8. Hand-painted flower accessories and porcelain handles that complement the elegant style are used in the series.
9. Hangers are produced from anodized coated extruded aluminum profiles.

## SAFETY AND CERTIFICATE

1. It is technically designed in accordance with TÜV GS (Europe) standards regarding safety, health and ergonomic conditions.
2. Wall mounting devices are used in the products to prevent modules such as cabinets, bookshelves and dressers from falling.

## FUNCTIONAL DETAILS

1. There is a ventilation capsule in the cabinet. There are also 2 separate hanging areas, wide and narrow.
2. Visual enrichment was applied by performing MFD thickening in the 3-Door wardrobe and other modules.
3. In addition to providing storage areas on the work desk thanks to its drawer and lidded compartment, it also provides an efficient working area with its ergonomic dimensions.
4. There are 3 rows of holes in the block with the work table cover to allow adjusting the height of the shelf.
5. Height and width of the work unit have been designed with the consideration of the computer positioning at the top side of the table.
6. The bookshelf has been designed with wide and differently partitioned shelves in order to allow storing of books and various accessories.
7. The top drawer of the four-drawer dresser is designed to have 8 compartments for small items. In addition, the elegance of design is completed with the floral patterned porcelain handles.
8. The series has a wide selection of bunk beds for both children and teenagers. The upper part is sized as 120x200 cm and the lower part is sized as 90x200 cm.
9. Metal profiles are used on the foot and head ends of the bedstead. On the upper parts of these profiles, there are wooden knobs that complement the elegance.
10. The volume of the bed base of 100 is 475 liters, the volume of the bed base of 120 is 570 liters.
11. Thanks to the easily attachable and detachable guardrail, the risk of falls and injuries is minimized.
12. The dresser mirror is enriched with its floral ornaments and a mirror made of impact-resistant materials.
13. The carrying capacity of the bed, base, bottom bed and bunk beds is 130 kg.
14. Thanks to the wheels at the bottom and the curved space at the front, the lower bedstead can be easily pushed and pulled under the mattress.
