WHITE BE! İŞTE BU!

“Siz düşlediniz biz Çilek’in “beyazını” yaptık.”

Düşünce ve hayal dünyanız genişse beyaz tam size göre. Hayatın tüm renklerine uyan, hepsini içinde barındıran “beyaz” yeni oda konseptimizin ilham kaynağı oldu.

Beyaz olarak tasarlanacak bu oda, öyle detaylara sahip olmalıydı ki sade güzellikten ödün vermeden Çilek farkını ortaya koysun... Tabii işin sonunda Çilek’in dâhiyane çözümleri ve teknolojik kabiliyetleri ile tasarım ekibimizin sihirli dokunuşları, bizi yine “vay be!” hatta “White be! İşte bu!” dedirtecek bir sonuca ulaştırdı. Hep dediğimiz gibi; “gençlerle aynı dili konuşuyoruz.” Kalitesi ve özellikleri ile tüm odaların ötesinde “bulutların üzerindeymiş gibi” bir konfor sunan White, şimdi hayatınızda bembeyaz bir sayfa açıyor.

WHAT A WHITE! THAT’S IT!

You dreamed about it, we made it! Here comes Çilek’s “white”.

If your world of thoughts and imagination is wide, white is just for you. The “white”, which fits in all colors of life, shelters all of them, is the inspiration for our new room concept.

This room, which is going to be designed in white, should have such details that it can reveal the Çilek difference without sacrificing pure beauty... Of course, at the end of the job, Çilek’s genius solutions and technological capabilities and the magic touch of our design team made us say “wow!”, and even “What a white! That’s it!” As we always say; “We speak the same language with the young.” With its quality and features, White, which offers a comfort like “up in the clouds” beyond all the rooms now makes turn over a new white leaf in your life.

BULUTLARIN ÜZERİNDE UYUR GİBİ

Size bulutlardan bir karyola yaptık. Rahatlayın, gevşeyin, başucunuzdan bir kitap alın ve en güzel düşlere kanat açın.

LIKE SLEEPING ABOVE THE CLOUDS

We created a bedstead out of clouds. Relax, take a book from the bedside and take wings to the most beautiful dreams.

BAŐINI BULUTLARA YASLA Uzat elini; Ne istersen orada.

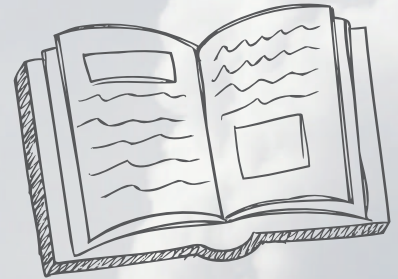

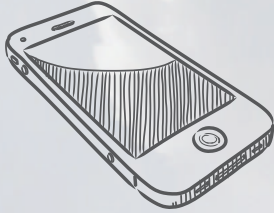

*PUT YOUR HEAD ON THE CLOUDS
Give your hand; Whatever you want
is there.*

Hepsi başınıza toplandı!

They are all with you!

Kitabınız,
gözlüğünüz,
telefonunuz,
şarjınız... Hepsi sizi
günün stresinden
“deşarj” etmek için
başucunuza geldi.

*Your book, your
glasses, your phone,
your charger ...
They all came to
your bedside to
“discharge” you from
the stress of the day.*

Çilek'in tasarım gücü, her detayda hayatı kolaylaştırmaya odaklanıyor. İşte çok kullanışlı bir seçenek: Alt karyola. Kardeş, misafir için ya da ekstra depolama alanı olarak birebir.

Çilek's design power focuses on making the life easier in every detail. Here is a very handy option: the pull-out bed. Ideally suited for your sibling, guest or as an extra storage space.

İŞLEVSELLİK EN AZ GÜZELLİK KADAR ÖNEMLİ

Gelmiş geçmiş en kullanışlı baza, rahat tutulur kulpu sayesinde zahmetsizce açılıyor, eşyaları topluyor, ortada sadece güzellikleri bırakıyor.

*FUNCTIONALITY IS AS
IMPORTANT AS BEAUTY.*

The most handy bed base of all time is opened effortlessly thanks to its easy-to-hold handle, storing objects, leaving only the beauties behind.

ERGONOMİ VE ÖZGÜRLÜK

Bolca rafa sahip üç kapılı dolabı daha da işlevsel hale getiren “tak çıkar” askı sistemi, daha çok eşya asmanızı, yer problemini aşmanızı sağlıyor.

ERGONOMY AND COMFORT

The “detachable” hanger system, which makes the three-door wardrobe more functional with a large number of shelves, allows you to hang more objects and overcome the space problem.

SÜR AÇILSIN

İçeride akıllıca bölünmüş, raflara, askılara ve çekmecelere ayrılmış öyle geniş bir alan var ki tüm dünyanızı sığdırabilirsiniz. Kolayca ve sessizce kayan sürgülü kapılı dolapla, tüm dağınıklığı odanızdan sürün gitsin.

SLIDE TO OPEN

There is such a wide and cleverly divided area inside, which was designed for shelves, hangers and drawers that you can fit the entire world. With a sliding wardrobe that slides easily and quietly, slide all the mess in the room away.

BURASI ÇOK HAVADAR; GELSENİZE

Ne siz dağınıklıktan bunalın ne de giysileriniz havasızlıktan...
Çilek standardı haline getirdiğimiz havalandırma delikleri sayesinde eşyalarınız da “beyaz bulutların üzerinde” gibi olsun.

*HERE IS VERY SPACIOUS;
WHY DON'T YOU COME?*

We want neither you nor your clothes to get smothered by the airlessness. Thanks to the air vents we have made a Çilek standard, your clothes will look as if they were “up in the white clouds”.
